ABOUT COMPANY

NAD BUILDING CO. is a leading Saudi enterprise specializing in metal trading and contracting. With a robust portfolio in supplying high-quality metals and providing comprehensive contracting services, we cater to diverse industries including construction, manufacturing, and infrastructure. Our commitment to excellence, combined with our extensive market expertise and state-of-the-art facilities, ensures timely delivery of superior products and solutions. At ****[Company Name]****, we are dedicated to forging strong partnerships and delivering exceptional value to our clients across Saudi Arabia and beyond.

CEO MESSAGE

Nadia Al Dossary

As the CEO of NAD BUILDING CO, I am proud to lead our enterprise in alignment with Saudi Vision 2030, focusing on metal trading and contracting. Our commitment to excellence and innovation drives us to contribute to the Kingdom's ambitious goals, fostering sustainable growth and diversification in the industrial sector.

We remain dedicated to delivering high-quality services and solutions that support the development of vital infrastructure, positioning us as a trusted partner in Saudi Arabia's transformation journey.

Thank you for your continued support as we work together towards a prosperous future

Vision

To be a leader in Saudi Arabia's Industries and Economic Growth

PRODUCTS

Structural Steel

Top choice for high-quality structural steel products in Saudi Arabia. We specialise in providing a wide range of steel products, including angle bar sizes, flat bars, steel bar weights, steel beams, steel columns, and more.

Mild Steel Sheets

We offer a wide range of high-quality steel sheet products to meet your construction needs. Whether you need cold rolled steel sheets, hot rolled steel sheets, electrogalvanized steel sheets, or any other type of steel sheet product, we have what you need.

Hollow Tubes & Pipes (ERW)

Our extensive range of hollow tube sizes includes everything from square hollow tube sizes to MS hollow pipes, so you're sure to find exactly what you need for your next project. We understand that every project is unique, which is why we offer a variety of materials and weights to meet your specific requirements.

PRODUCTS

Metal Decking Sheets

We offer a wide range of metal decking sheets to suit your construction and roofing needs. We are a leading supplier and manufacturer of high-quality metal decking sheets, and our products are designed to provide durability, strength, and ease of installation.

Cold & Hot Roll

Hot and cold rolling coils are the raw materials used in the manufacturing of steel products, such as steel strips and sheets. The hot-rolling process involves heating the steel to a high temperature and passing it through rollers to reduce its thickness.

Welding Material

Our one-stop-shop for all your welding material needs. We take pride in offering a wide range of high-quality welding materials at competitive prices. Whether you are a professional welder or a DIY enthusiast, we have the materials you need to get the job done right.

OUR SERVICE

We are a leading contracting company in Saudi Arabia, specializing in delivering top-tier construction, infrastructure, and industrial solutions. With a strong commitment to quality and innovation, we align our operations with the Kingdom's Vision 2030, contributing to the nation's rapid development and diversification.

Contracting

Our expertise spans various sectors, including commercial, and industrial projects, where we focus on delivering excellence from concept to completion. With a dedicated team of professionals and a customer-centric approach, we are your trusted partner for building a sustainable and prosperous future in Saudi Arabia.

Manpower

We are dedicated to providing comprehensive workforce solutions across diverse industries. Our services include recruitment, staffing, and management of skilled and unskilled labor, ensuring that our clients have the human resources they need to execute their projects successfully.

Aligned with Saudi Vision 2030, we are committed to supporting the Kingdom's development by delivering reliable, efficient, and compliant manpower services. Whether for construction, industrial, or service sectors, we pride ourselves on matching the right talent with the right opportunities, ensuring excellence and productivity at every level.
